Erin Bird  
Fair Trade Calgary

Dear Mrs. Bird,

The Alberta Council for Global Cooperation (ACGC) is proud to support the campaign to make Calgary a Fair Trade City and to support raising awareness about the benefits and opportunities of fair trade for our community and for producers around the world.

ACGC will support Fair Trade Calgary through communication and promotion of Fair Trade Calgary's mission to make Calgary a Fair Trade City with ACGC members.

ACGC is a network of organizations and individuals, located in Alberta, working locally and globally to advance sustainable development and global citizenship. Part of this network includes ACGC members, comprised of civil society organizations and individuals. ACGC works to mobilize Albertans to become global citizens engaged in sustainable development and has supported Fair Trade Calgary by mobilizing members and youth to attend events such as the recent National Fair Trade Conference held in Calgary in March 2020. We are excited for Calgary to become a Fair Trade City, joining the mission to make a just and equitable world.

Please feel free to contact me if you require additional information or have any questions about our support for Fair Trade Calgary. I can be reached at 780-988-0200 or via email at [director@acgc.ca](mailto:director@acgc.ca).

Sincerely,

Leah Ettarh, Executive Director  
Alberta Council for Global Cooperation
