Erin Bird
Fair Trade Calgary

Dear Ms. Bird,

Calgary Arts Academy supports the campaign to have Calgary recognized as a Fair Trade Town and supports raising awareness about the benefits and opportunities of fair trade for our community and for producers around the world.

At Calgary Arts Academy is a public charter school. Our mission is to provide a collaborative, democratic learning environment, empowering each individual to become self-directed, life-long learners who value community-focused and citizen based action facilitated through effective communication, collaboration, critical and creative thinking. Our purpose is to transform children into young people who are curious, kind, empathetic and engaged; preparing them like no other school to contribute and lead in their communities.

We are proud of our Global Leadership club and the work they have done raising awareness of fair trade not only withing our school community but outside our walls, as well.

Sincerely,
