Erin Bird
Fair Trade Calgary

Dear Ms. Bird,

My Name is Sheri Bolitho, I am the Childrens Ministry Coordinator at Woodcliff United Church, located in SW Calgary. Our congregation has long believed in being stewards of the earth. We work to learn ourselves and to help educate others about the importance of striving for world without conflict, a world without food scarcity, without unsafe work places, and a world were each person has the opportunity to be successful.

I write this letter in full support of the campaign to have our city recognized as a Fair Trade Town. I support and encourage the raising of awareness of the benefits and opportunities for fair trade in our community and for producers around the world.

We have valued the support of Fair trade Calgary in keeping us learning by inviting Fair trade Calgary to share information with our children, youth and adults. In these opportunities we all learn more about how we can positively impact change for families in other parts of the world with our actions right here.

I welcome the opportunity to discuss this with you further. If you have any questions please be in touch through the Church office at 403-249-3121.

Sincerely,

A handwritten signature in blue ink, appearing to be "SB".

Sheri Bolitho
Children's Ministry Coordinator
