Erin Bird
Fair Trade Calgary

Dear Fair Trade Calgary,

Kushwaha Law supports the campaign to have Calgary recognized as a Fair Trade Town and supports raising awareness about the benefits and opportunities of fair trade for our community and for producers around the world.

Kushwaha Law Office supports farmers, producers and artisans in developing countries to earn income by working in fair conditions. We believe that every worker has the right to have balance of work and health. We value sustainability, human and environmental interrelationships, for a prosperous future of our communities, and future generations.

We are committed to build a responsible society where everyone is treated equally.

Sincerely,

Paul Kushwaha
