President
Rotary Club of Calgary
Calgary AB

Dear Fair Trade Calgary:

Calgary Rotaract is pleased to support your effort to achieve Fair Trade Town status for Calgary. We recognize the importance of promoting fair trade for the health and well-being of all persons as well as our planet. Calgary's efforts demonstrate a commitment to improving the global community and we believe that the principles of Fair Trade coincide with the values of our organization. As part of Rotary International, a global organization that aims to support peace through understanding, Calgary Rotaract believes in the necessity of working towards a fair and just world for all and acknowledges the fair trade movement as a vital step in this process.

Sincerely,

Emily Tedesco-White
